

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

I do not want to pay more for my fees or taxes to the government! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that the governments solution to all problems is to raise taxes or fees.

Try spending less money. That is what us tax payers have to do.

Sincerely,

John Woyden
